Sec 1325(a)).** Unless a written objection is timely filed with the Court, the Court may grant the debtor(s)' motion to value collateral as set forth herein. This section deals with valuation of certain claims secured by real and/or personal property, other than claims protected from "cramdown" by 11 U.S.C. Sec. 1322(b)(2) [real estate which is debtor(s)' principal residence] or by the final paragraph of 11 U.S.C. Sec. 1325(a) [motor vehicles purchased within 910 days or any other thing of value purchased within 1 year before filing bankruptcy], in which the replacement value is asserted to be less than the amount owing on the debt. Such debts will be treated as secured claims only to the extent of the replacement value of the collateral. That value will be paid with interest as provided in Subsection D of this section. You must refer to Section 3.D below to determine the interest rate, monthly payment and estimated term of repayment of any "crammed down" loan. The deficiency balance owed on such a loan will be treated as an unsecured claim to be paid only to the extent provided in Section 4 of the Plan. The following secured claims are to be "crammed down" to the following values:

To the extent that the collateral does not satisfy such creditor's claim, any timely filed deficiency claim to which the creditor is entitled shall be paid as a non-priority, unsecured claim. Confirmation of the plan shall terminate the automatic stay as to the interest of the debtors and the estate in the collateral.

Upon confirmation of the Plan, the valuation and interest rate shown below will be binding unless a timely written objection to confirmation is filed with and sustained by the Court.

8. Treatment of Claims.

- All creditors must timely file a proof of claim to receive payment from the Trustee.
- If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the Plan, the creditor may be treated as unsecured for purposes of distribution under the Plan. This paragraph does not limit the right of the creditor to enforce its lien, to the extent not avoided or provided for in this case, after the debtor(s) receive a discharge.
